Disneyland Soundtrack Performing Workshop – Tuesday, January 30th, 2018
All day event

Students experience the excitement of a working recording studio where professional clinicians present sight-reading techniques, performance concepts and the entire process of laying down a musical track. As a result of the generous donations by our families and community members as well as our successful Jamba Juice fundraising, the Orchestra Booster Club is happy to announce that the tuition and admission fees for the Disney Workshop will be paid for from Booster Club funds. We are excited to offer and provide this world-class opportunity for our students. Transportation for this trip will be via bus, and we will be requesting a \$40 donation per student to cover our transportation expenses.

Dolce Dinner is our largest fundraiser of the year and we really need your help! If you are interested in helping, please email tohsorchestra@gmail.com.

Dolce Dinner – Friday, February 9, 2018 from 6 – 9 PM
What could be sweeter than an evening of great food and beautiful music? Students will serve and fill the air with chamber music. Items for the dessert auction will also be provided by the orchestra's members. Tickets will be available from your favorite orchestra student in January.

Joy and Best Wishes to All!
